NOTES

- Lunar New Year general holiday dates are being indicated as 31st January and 1st and 3rd February. As these dates span a weekend and affect two separate weeks, ESF has agreed to include the disaggregated CPD day in the half term period in order to capture two weekends within the break. This allows the positioning of the full week holiday to be altered to place it closer to the middle of Term 2.
- 2014 dates have to remain provisional until Government gazetting of general holidays in April/May 2013.
- Ching Ming is on Saturday 5 April. (Revision of current legislation governing general holidays has been the subject of discussion. If any change were to occur, one possible impact could be that Saturday general holidays are rescheduled to weekdays.)
- Start date for 2014/2015 shown for indication only.
